CHAIRMAN'S MESSAGE

News Letter listing out the activities and achievements of the college is an important and useful document. Engineering college activities and achievements are extensive, practical and interesting. Student involvement in all these activities and finally in the preparation of newsletter makes it more appropriate. I have pleasure in conveying my greetings and good wishes to Principal, Faculty, Staff and all students for this useful venture.

Dr.Palani G Periasamy
Chairman

CHAIRMAN'S MESSAGE

It gives me immense pleasure to bring out a quarterly newsletter for our PGP College of Engineering and Technology. A News Letter is like a mirror which reflects the clear picture of all sorts of activities undertaken in an institution for a particular period.

In order to accomplish the vision and mission of our Chairman, PGPCET has made tremendous progress in all areas: academics, non-academics, capacity building relevant to staff and students. I am sure that this newsletter will serve as a medium of PGPCET's communication, projector of its achievements and a scan of endeavouring efforts towards overall excellence.

With great pride and satisfaction, I congratulate and wish all the very best to the team who have played wonderful role in accomplishing the task.

Dr.V.KAVITHA
Principal

CHAIRMAN'S MESSAGE

Principal **Dr.V.KAVITHA, M.E,MBA,Ph.D.,**

What's inside!!

- **Seminars/Conferences/ Workshops**
- **NSS activities**
- **Extension, Sports activities**
- **Celebrations at PGPCET**
- **Timeline of activities (2025-2026)**
- **Placement Training**

Upcoming Events

- * **Farewell Day Celebrations**
- * **Industrial Visit**
- * **Awareness program**

AYUDHA POOJA CELEBRATION

The AYUDHA POOJA celebration was organized with cultural spirit as part of the Navaratri festival. On this day, students and staff clean and decorate their books, lab equipment, and tools, symbolizing respect for knowledge and work. Special pujas are performed in classrooms and laboratories, where items like computers, machines, and instruments are worshipped. The celebration promotes the values of gratitude, discipline, and devotion, and brings everyone together in a festive and positive atmosphere.

SEMINAR

The enlightening seminar on ethics in intellectual property management rights was held with utmost solemnity. The event was attended by the Principal, faculty, and all the students. The Principal elucidated the importance of ethical practices in handling intellectual property rights. Thought-provoking discussions ensued, led by experts in the field, and the seminar concluded with the dissemination of valuable insights to all participants.

SYMPOSIUM

A national-level technical symposium "NEXORA" conducted on 20.2.2026 is a vibrant platform that brings together students, researchers, and professionals from various colleges to share knowledge, ideas, and innovations in the field of computing. The event typically features a variety of activities such as paper presentations, coding competitions, technical quizzes, workshops, and guest lectures by industry experts. It helps participants enhance their technical skills, stay updated with emerging technologies, and develop problem-solving abilities. Moreover, the symposium encourages collaboration, creativity, and healthy competition among students, making it a valuable learning experience beyond the classroom. Overall, such an event plays a significant role in fostering academic excellence and professional growth in the field of computer science.

NSS

The NSS camp held at Konoor Village. The Students of II CSE and III CSE participated in the CAMP and got Certificates.

EXTRA EVENTS

The guest lecture, held on February 11, 2026, by RamaKrishnan of LIVEWARE FUTURESILLS PVT LTD brought depth and inspiration to the occasion. Attended by the faculty and students, the session featured an esteemed speaker who shared valuable insights and expertise in the field. The lecture was interactive, encouraging thought-provoking discussions and active engagement from the audience. It fostered an atmosphere of learning, curiosity, and idea exchange, making it a truly enriching experience for all participants.

WOMENS DAY CELEBRATION

The delightful Women's Day celebration was organized by the students with utmost reverence on 08.03.2026. The event saw the participation of the Principal, faculty, and all students. The Principal shed light on the significance of honoring women's contributions to society. Inspirational speeches were delivered, highlighting the achievements and importance of women in various fields. The celebration concluded with the distribution of tokens of appreciation to all the women present.

RESEARCH

The research on college conducted by the staff members was a comprehensive endeavor, undertaken with diligence and precision. The study involved various facets of the institution, ranging from academic performance to campus facilities. The findings, meticulously analyzed and presented, provided valuable insights for future improvements and strategic planning. The research process was a collaborative effort, involving the entire staff body, and it culminated in actionable recommendations aimed at enhancing the overall college experience for students and faculty alike.

PLACEMENTS with INTERNSHIP

- ❖ 20 Students placed in TATA ELETRONICS Hosur.
- ❖ 15 Students placed in Foxconn India Private Ltd. Sriperumbudur, Kanchipuram.

MOCK INTERVIEW

Mock Interview conducted by Mr. JayaPrakash Alumni of PGP (2003 Batch) Elysium Technologies in Chennai refers to the IT arm of the broader Elysium Groups, a company known for IT services, data science, AI/ML solutions, and training via Elysium Academy

Parent's Meeting

The Parent's Teacher Meeting held for the students. Teachers interacted with parents and shared details about attendance, performance, and behavior. Parents also provided feedback and clarified their concerns. The meeting helped strengthen communication between parents and teachers, ensuring better support for students' growth and success

EXTRA CURRICULAR ACTIVITIES

Harish.K of II CSE secured Silver Medal in District Level Karate Tournament organized by TamilNadu State Amateur Karate Association.

HarisPrakash.D of I CSE secured Gold Medal in District Level Kabbadi Tournament organized by TamilNadu State Kabbadi Association.

Achievement in State-Level Hackathon

We are pleased to share that Mr. Manivel R, a student of Computer Science and Engineering at PGP College of Engineering and Technology, participated in the NM-AU-TNcpl Hackathon 2025 organized by GUVI in collaboration with Anna University and Naan Mudhalvan.

Held on September 12-13, 2025, the event brought together top student innovators from across Tamil Nadu. Mr. Manivel R and Mahalakshmi R presented a project titled “Fake News Detector”, earning a Certificate of Appreciation and Participation Award for their efforts.

We congratulate him and his team for their commendable performance and for representing our institution at a prestigious state-level platform.
